

Feedback Form

Peckham Rye Station Area Concept Design, January 2014

Thank you for taking time to consider the proposals. In order to inform the development of detailed design, **please summarise your opinions below.**

Feel free to complete only those questions that interest you.

Do ask a team member if you would like more paper or any assistance with completing the questions.

BOARD 1: Introduction and Project Brief

BOARDS 2 & 3: Response to Feedback

BOARD 4: Commercial Activity

These boards are intended for information only

BOARDS 5, 6 & 7 (upper section): Design Proposals

These boards set out our concept proposals for the redevelopment of the site.

In answering these questions, please bear in mind:

(a) the brief we have been set by Network Rail, as set out on Board 1,

(b) the nature of the existing site and its constraints and opportunities as set out on Board 1,

(c) the way in which we have, where possible, responded to your initial feedback as set out on Boards 2 and 3.

5.1 Which aspects of our overall proposals do you think work particularly well? Please also tell us WHY you think these work well.

5.2. Which aspects of our proposals do you think work less well, or worry you? Please tell us WHY you think these are less successful.

5.3 In further developing these designs, are there particular issues that you think we should consider? Please describe these here.

BOARD 7: Possible Character

The lower section of this board sets out some initial ideas regarding the possible character - the look and feel - of the development.

7.1 Which aspects of the reference images (shapes, materials, colours) do you think would be appropriate for the new development? Please also tell us WHY you think these would be appropriate.

7.2 Which aspects of the reference images (shapes, materials, colours) do you think would be inappropriate for the new development? Please also tell us WHY you think these would be inappropriate.

7.3 Do you have other ideas about the kind of physical character that would be appropriate for either the development as a whole, or for specific areas e.g. Station Square, Dovedale Court etc?

BOARD 8: Public Realm

This board sets out some initial ideas regarding the possible nature of public spaces in the development.

8.1 Which aspects of our public realm proposals do you think work particularly well? Please also tell us WHY you think these work well.

8.2 Which aspects of our public realm proposals do you think work less well, or worry you?
Please tell us WHY you think these are less successful.

BOARD 9: Further Information

This board is intended for information only.

OVERALL DESIGN APPROACH

Overall, taking the project and site constraints into account, what do you think of our outline design proposals?

Please circle a number on a scale of 1 to 5, with 1 meaning poor and 5 meaning excellent.

1	2	3	4	5
Poor				Excellent

Have you attended previous consultations about this project?

Yes

No

If Yes, how well do you think we have responded to public feedback from previous consultation?

Please circle a number on a scale of 1 to 5, with 1 meaning not at all and 5 meaning extremely well.

1	2	3	4	5
Not at all				Extremely well

Please explain below the reasons for your answer. This will help us with future stages of the project:

Subject to removal of all personal data or identifying information, are you happy for your responses to the above questions to be shared or quoted in the public realm?
